Manufacturing Technology Training
An IMTMA initiative

Implementing Toyota Production System Why What and How
Date : 28 to 29 October, 2026
Venue : IMTMA Technology Centre, Bengaluru

INTRODUCTION

In an increasingly competitive manufacturing environment, it is imperative for organizations to adopt lean practices to achieve customer satisfaction and thrive as an organization. Toyota Production system or TPS is a tried and trusted approach for assured results.

India is now in a sweet spot for becoming a global manufacturing hub. Adopting TPS will strengthen our competitiveness and help India's goal of 5 trillion GDP BY 2025.

TPS stands on 2 main pillars i.e., Just in Time and Jidoka with host of support systems which will be discussed in detail during the training.

Keeping this in view, IMTMA is organizing a training on **Implementing Toyota Production System - Why, What and How?**
