

INTRODUCTION

Deepening the students’ understanding of industry best practices on product manufacturing from design to assembly which enhances the technical competency and employability quotient.
During this pandemic, considering the challenges in under taking internship at Industry, IMTMA facilitates every student to gain the knowledge of these systems for excellence through Online Industry Internship. The programme helps to develop the better career opportunities in manufacturing industry.

FOCUS AREAS

- Problem solving skill
- Define the need of a product
- Conceptualization of product
- Design of product
- Manufacturing process
- Know how on types of machines and tools
- CNC Programming
- Manufacturing
- Assembly process
- Application of product

KEY TAKE AWAYS

- Design process
- Manufacturing process
- Assembly process
- Knowledge on CAD, Design, Drafting, Materials, Production & Assembly
- Tolerancing and GD&T
- Types of machine tools
- Best industrial practices for manufacturing

FEE PER PARTICIPANT (PER LOGIN)

Rs. 2500/-
+18% GST

IMTMA Members/ Micro Companies/ Individuals/ IMTMA Non Members/ Others
