

Online Training on CNC Technology & Applications

Date: 10 December, 2020

Time: 1000 Hrs to 1300 Hrs (Online Mode)

### INTRODUCTION

A good marketing team represents the face of the company as it needs to project the brand, its key strengths, products and services in order to convince the customers. Being capital equipment, effective marketing assumes far greater significance, specifically in case of machine tools and accessories. Indian Machine tool industry greatly requires systematically trained sales & marketing engineers who are able to effectively differentiate the products' strengths across to the customer and win more business.

This program provides an in-depth understanding of technological aspects as well as best practices of sales & marketing strategies,

Keeping this in view, IMTMA is organizing a 6 day on line training programme on Effective Sales and Marketing of Machine Tools and Accessories.

This programme will benefit Managers and Engineers in Sales & Marketing Function of Machine Tools, Accessories and other Capital Goods viz. Presses, Molding / Die casting machines, Textile machinery, Foundry equipment etc.

On 9 December 2020, you may attend the Module on CNC Technology & Applications - Sales and Marketing perspective.
